Last progeny from this legendary home bred sire by Gallagher out of a solid Galileo hind. Highly potent breeder with a great temperament and a nice balance of traits. Previous DeerSelect trait leader stakes for WwtBV.

Melior AI sire used as a spiker. Impressed as a spiker in 2020 out of a highly regarded Valli hind (Cromwell/Lasio) by Lush. Several embryo brothers presented, and he was my pick. Surprisingly few stags have made it through to the catalogue. Strong Carla and high growth.

AI sire.— second year with progeny in the sale. Nice stag with solid breeding on the dam side with English and Lasio (very muscular stag) represented. Good balance of traits with growth, eye muscle area and Carla all featuring at the top end.

Melior AI sire used as a spiker. Was highly rated by Jake Chardon and did offer some outcross to the lines we had been using. Impressed as a meaty spiker but unfortunately has dropped back 6kg in W12BV. Still some nice stags have come through. Has a strong WWt BV.
